

Learn how to go from **Maker to Market**

**You don't have to own
the equipment to make
the product.**

During this workshop, learn how to turn your idea into something you can build, test, and take to market.

Explore how to use Makerspace tools and equipment without the cost of buying it yourself, while connecting with SBDC and community partners who can help you develop your product and grow your business.

Thursday, October 22
2 – 4 p.m.

CSM Velocity Center

4465 Indian Head Hwy,
Indian Head, MD 20640
